## WHAT WE AIM FOR

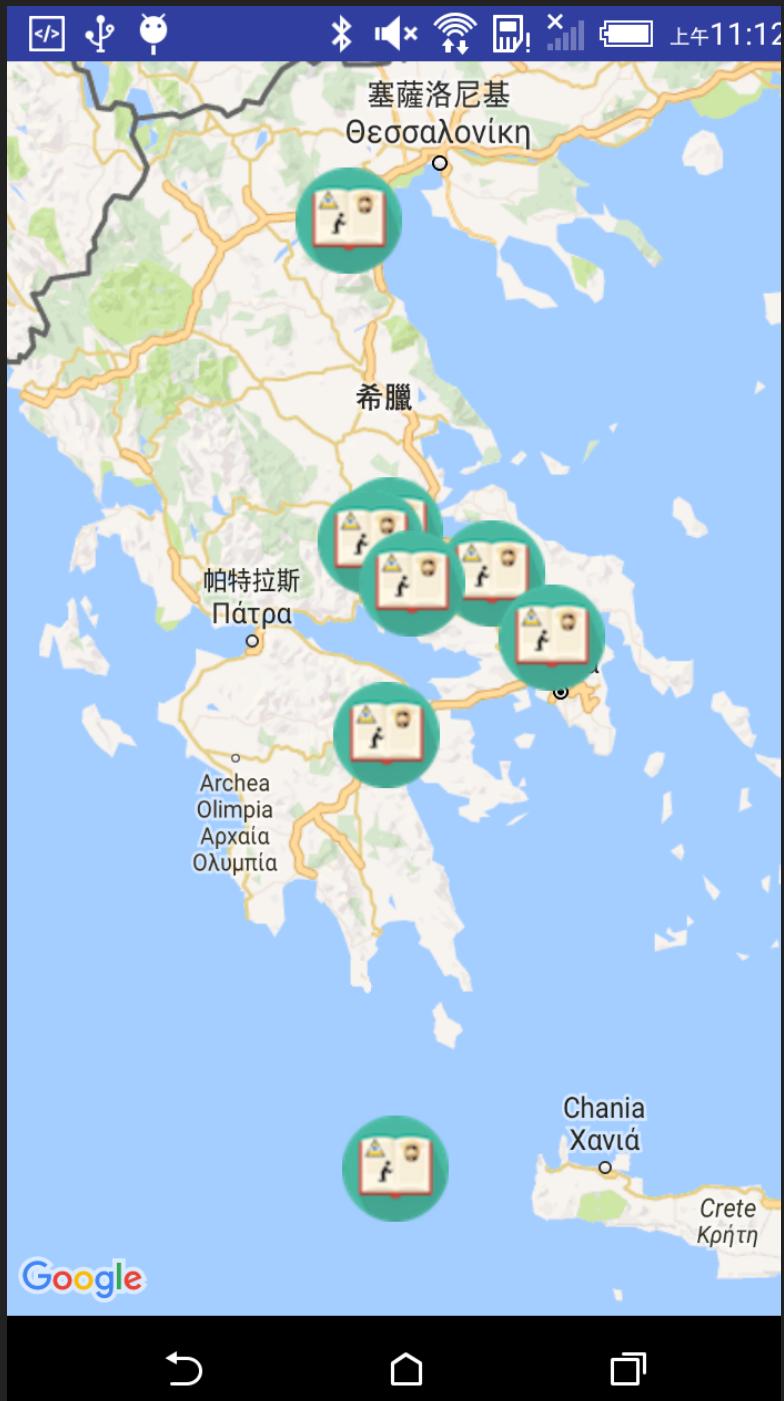

- ▶ pick your interest up
- ▶ make people wonder
- ▶ let people notice

the importance of the land we are standing on.

---

## HOW OUR APP WORKS

- ▶ collects data by web crawler
- ▶ stores data at server
- ▶ connects data with our app

---

## HOW TO USE OUR APP

As long as you have GPS and wifi,

You can use it anywhere!

**It's not about solving the problem,  
it's about letting more people notice it.**
